## STUDIOPEPE .

*Studiopepe is a design agency renowned for its eclectic and layered perspective. Founded in Milan in 2006, the agency takes a visionary and multidisciplinary approach to design. Our strongly recognizable identity is based on experimentation, citations, and unusual associations that seek uniqueness and respect the client's individuality. Studiopepe's projects are characterized by their emotional and aesthetic impact, melding rigour with vision, and the continuous search for contaminations of contemporary codes and languages. Arianna Lelli Mami and Chiara Di Pinto founded Studiopepe, both coming from solid design experience; together they realize styling projects with strong emotional value. Given their eclectic and composite background, Studiopepe is focused on creative consultancy in all forms of manifestation.*
