GERMANS ERMIčS

Latvian-born Germans Ermičs (1985) is a graduate of the Design Academy Eindhoven, since 2014 he maintains a design studio in Amsterdam. His works are refined and ethereal pieces of glass furniture and immersive installations, wielding light, space, and color to catalyze a shift in how we perceive objects. In Ermičs' designs, materials become the stage for exquisite treatments and experiences. Ermičs has frequently participated in fairs such as Salone del Mobile, PAD, and Design Miami/ Basel. He was honored by the Wallpaper Design Awards in 2017, 2018, and 2021 and his work is regularly featured in the international press.*
