# CHIARA ANDREATTI

*Born in Veneto not far from Venice, Chiara Andreatti moved to Milan where she graduated in Industrial Design at IED in 2003 and attended a master at Domus Academy. She collaborated with designers and studios such as Raffaella Mangiarotti, Renato Montagner and since 2006 she has worked with studio Lissoni Associati (MI) whilst working on parallel freelance projects and working with companies such as Atipico, Glas Italia, Non Sans Raison, cc-tapis, Covo, Reflex, Casamilano and Armani Jeans. Continuously studying aesthetics, she often combines the artisan culture of her venetian roots with design and industrial needs believing that a handcrafted and poetic touch on everyday objects will enrich our lives.*
