## BETHAN LAURA WOOD

*Bethan Laura Wood obtained a MA in Design Products at the Royal College of Art, under the tuition of Jurgen Bey and Martino Gamper. Since graduating in 2009, Bethan has built a multidisciplinary practice characterized by material investigation, artisan collaboration, and a passion for colour and detail. Bethan enjoys exploring the relationships we make with objects in our everyday lives, and questions how they can become cultural conduits. She is interested in critical approaches to achieving sustainability in a mass consumption, production-driven context.*
