# INDIA MAHDAVI

*Architect, designer and scenographer, India Mahdavi is based in Paris. Created in 2000, her studio is known for the diversity of its international projects which explore the fields of architecture, interior design, scenography, furniture and object design – all based in one single street, rue Las Cases. India Mahdavi is known for creating unique environments, combining a modern sense of comfort and elegance with color and humour – a cross-cultured art de vivre. Polyglotte & polychrome, India Mahdavi has become a signature, offering a special vocabulary that is joyful, cosmopolite and elegant all at the same time. Barcelona and the Philadelphia Art Museum. She has been named Designer of the Year by Wallpaper, Elle Decor International, AD España and Architektur und Wohnen among other magazines.*
