STUDIOUTTE

Established in 2020 by Guglielmo Giagnotti and Patrizio Gola, studioutte is a Milan-based multidisciplinary practice for interior architecture, decoration and furniture.The vision of studioutte is distinctly Italian yet an integrated, harmonious reality. Its hybrid design is composed of vernacular architecture research and influences across various regional practices.Through a clear, expressive approach that eludes reiterated and extreme elements, the aim is purity, a concentration into a primitive essence. A warm assertiveness meets an animistic devotion for objects and interiors. Reaching beyond the formality of simplicity, ideas are distilled into essential, poetic forms and spaces.
